

Goethean Science

By Rudolf Steiner

GA 1

In the collected edition of Rudolf Steiner's works in German, the volume containing the German text is entitled *Goethes Naturwissenschaftliche Schriften, Einleitungen*, (Vol. I in the Bibliographic Survey). It was originally published as introductions to Goethe's Natural-Scientific Works in Kürschner's *Deutsche National Literatur*, edited by Rudolf Steiner, with introductions, footnotes, and annotations in four volumes, 1883 – 1897. Also translated as *Goethe the Scientist*.

This translation into English was made by William Lindeman. Cover graphic form by Rudolf Steiner (originally as a study for the book *Truth and Science*). Layout and lettering, Peter Stebbing. eText by **John Roland Penner**.
